ABSTRACT

Acquisitions of the Carolina Population Center Library, University of North Carolina, Chapel Hill, North Carolina, are indexed in this bibliographic source. Topics deal with birth control and contraception, demography, family planning, health, population factors, social welfare, and related subjects. Section 1 is a list of books, monographs, general research reports, and conference proceedings, arranged by subject. Section 2 is an author listing of articles, papers, and reprints recently added to the Library's reprint files. Section 3 is a catalog of area files, inventorying a variety of materials specific to foreign countries. Section 4 is a "scanning sheet" or monthly index of selected articles appearing in 23 periodicals received by the Library. A subject index is appended to each of the last three sections. (BL)
